Springs communities. VCFA is fortunate to host and be home to some of the most diverse artists and scholars whose work will inspire people to see, listen, watch, read, and think in surprising new ways, and Colorado College supports this collaboration to bring more focus on the arts to campus.

About Colorado College

Colorado College is a nationally prominent, four-year liberal arts college that was founded in Colorado Springs in 1874. In 1970 the college created the Block Plan, in which its approximately 2,300 undergraduate students take one class at a time in intensive 3½-week segments. A Master of Arts in teaching degree also is offered. The college's vision is to ignite students' passion and potential to create a more just world.
