Many of us (students, faculty, and staff) feel the Baca is a very special place; we hope you too come to share our appreciation of it. This orientation is an attempt to inform you of your individual opportunities and your social responsibilities. Simply, the information and few rules described here are intended to allow you the freedom of personal discovery without inhibiting that same opportunity for your fellow students.

1. **I understand the Baca Campus is a dry (no alcohol) campus.**

2. Since the Baca Campus is an extension of the Colorado Springs campus, students are expected to observe all rules set out in this orientation, in the CC handbook, and the following:
   a. Your professor or designated staff person has overall authority and will make on-the-spot decisions for the visiting group.
   b. No climbing: on roofs, walls, trees, etc.
   c. Smoking is prohibited inside all CC buildings and the restaurant.
   d. Furniture (including mattresses, pillows, chairs, grills) is not to be moved, rearranged, or recreated.
   e. Fires only in fireplaces or wood-burning stoves.
   f. It is forbidden to jump off balconies, decks, ledges, windows, roofs.
   g. Trash is disposed of in designated containers/dumpsters.

3. Quiet hours will be observed in the townhouses from 11:00 P.M. to 7:00 A.M. In the lodge, quiet hours will be observed from midnight to 7:00 A.M.

4. All students must observe the laws of the state, the customs of the local community, and the regulations and policies agreed to here and discussed in the orientation session. **Failure to do so will result in your prompt removal from the Baca (at your own expense) and subsequent referral to the student conduct process.**

I have read, understand, and agree to all the provisions of this agreement.
